V. Director’s Report - update
Lisa Weaver-Assistant Manager/Circulation

Director Neidert introduced our Circulation Assistant Manager, Lisa Weaver. She has worked for Cromaine Library 20 years starting as part time, and recently moved to full time. Lisa supervises and monitors the pages of the library. Their position as pages involves handling all items coming back into the library to be put back on our shelves correctly. She says they do wonderful work and are very important to the library.

As Circulation Assistant Manager, Lisa assists the Circulation Manager, Donna Janke. She orders books, processes DVD’s and music CD’s to be available for checkout. Lisa also reviews new library patron applications for new library cards. She thanked the board for their service.

Director Neidert’s – update

Director Neidert explained the shared system delivery procedures of TLN with the board. She announced that the Genesee District Library will be joining the TLN system in October. They will not be a part of the delivery at this time. There will be restrictions as to how many items these patrons will be able to check out. She is interested to see how that will affect our circulation statistics.
Scott Wren, Building Manager, finished the new front doors with “bump outs” that he ordered. Having the new doors, it was suggested by Circulation Clerk, Winnie Tripp, to not cover up the door windows with closing or hour signs. A holder was put on the building next to the doors to display these signs.

We have two quotes so far for an additional generator to run the sump pump and a few peripherals when we lose power. The prices range from $15,000.00 - $20,000.00.

An Eagle Scout is proposing his Eagle project consist of donating and landscaping a flagpole. This should be complete by the spring of 2024.

**Questions/Comments from the Board:**
Secretary Cafmeyer asked Lisa Weaver if the position of a page is mostly for teenagers. Lisa said that the page position is open to any age and that two pages currently employed are adults.
Secretary Cafmeyer asked Director Neidert how the people from Genesee District Library will know of them joining the TLN network. She said that some people north of the Hartland Consolidated School District already come down this way to our library. While we won’t promote services to them, we will allow reciprocal borrowing privileges.
Vice President Rosso liked that a certain Adult Reference Librarian suggested certain DVDs to watch.
Vice President Rosso commented that the doors look good.
Treasurer Fedewa asked if the flagpole will be lit all the time. Director Neidert said yes.
VI. Discussion

A. Review Board By-Laws
These were recently reviewed in December 2022.
Vice President Rosso pointed out an error on two different sentences that needed correction. This will be corrected.

B. Strategic Plan Update
Director Neidert provided a summary of the focus groups that took place this week- great participation by the community. She is excited to see the outcome.

C. Individual Board Member – Township Meetings
Board members attended different Township board meetings to address our Strategic Plan and the survey:
Secretary Cafmeyer attended Tyrone Twp. board meeting. Everything went well.
Trustee Smith attended Brighton Twp. board meeting. She was the only person in attendance. They were happy to see her.
Treasurer Fedewa attended Oceola Twp. board meeting. She was well received.
Trustee Gogoleski attended Hartland Twp. board meeting. It was short and sweet.
Vice President Rosso attended Deerfield Twp. board meeting. It was quiet. They let her know that they will post it on their website.
Trustee Basley attended Genoa Twp. board meeting.
President Naylor thanked the board members for attending these meetings.

D. Individual Board Member comments to be added to Agendas
Trustee Gogoleski suggested adding board member comments to the monthly agendas. This would give the members something to share with the board.
President Naylor suggested we keep to our current agenda in keeping with team building. It was suggested the Directors Report can be closed out by asking if there are any comments from the board.

E. Call to the Public Request Forms
This changed form should make it clear what the comments will be. If there is no comment written on the form, only the person's name will appear in the minutes. President Naylor asked Director Neidert to check on any restrictions for obtaining the name and address of the person wanting to speak to the board at Call to the Public. Vice President Rosso suggested checking to see if that is
written in the Open Meetings Act. Director Neidert will check as far as the legality. Treasurer Fedewa asked if we can accept comments prepared ahead of time, beyond the size of the form. Director Neidert will prepare new language on the form and it will be presented to the board next month.

**#3010 – Collection Development (Community Relations)**
Trustee Gogoleski went over what was discussed at the Community Relations meeting with the lawyer. The wording presented from the lawyer are contained in the comment. Trustee Basley asked Director Neidert if she felt comfortable executing this as it is suggested. She said yes, it is current practice. Trustee Basley thanked the Community Relations Committee for their work on this. Vice President Rosso commented that Director Neidert has recourse if there are challenges. Director Neidert agreed.

**H. Budget-Finance Report**
Trustee Gogoleski questioned what NEA (& Federal Grants) meant under the Grants & Related Gifts on the Operating Budget, assuming NEA stood for National Education Association. Director clarified that it stands for “National Endowment for the Arts.” The Chart of Accounts used by the library combines NEA & Federal Grants- which is why the amount listed consists of the ARPA monies received from Hartland Township.
Trustee Gogoleski asked for a clarification of the budget line for Travel. Director Neidert confirmed that those expenses were from three staff members attending a conference, as noted in last month’s board packet, which included the total amount for all travel expenses.
