

# PFAS

What is PFAS ?

Why is there a concern?

What can I do about it ?

In August 2018, the Michigan Department of Health and Human Services (MDHHS) issued an expanded 'Do Not Eat' fish advisory for all fish from the Huron River in Livingston, Oakland, Washtenaw, Wayne, and Monroe Counties.

Stephen Brown, a PhD trained analytical chemist with 45 years experience, will give of us an overview about PFAS and answer your basic questions. Please join us!

**Wednesday, January 23, 2019**

**6:30 - 8:00 p.m.**

**Howell Carnegie Library**

**Meabon Room**

**314 W. Grand River, Howell, MI**

**All Are Welcome!**

**Sponsored by The League of Women Voters of the Brighton Howell Area**  
The League is proud to be nonpartisan, neither supporting nor opposing candidates or political parties at any level of government, but always working on vital issues of concern to members and the public.
