

DID YOU KNOW?

Livingston Educational Service Agency offers no-cost preschool for eligible 3 and 4 year olds.

Health & Wellness

We promote physical development both indoors and outdoors. We serve breakfast and lunch, as well as healthy snacks.

We provide hearing, vision and behavioral screenings and provide medical and dental screenings.

Learning

We support learning through play, creative expression and guided activities.

We build strong relationships as the foundation for early learning and our goal is that all children who participate in our programs will be ready for kindergarten at the time of entry.

Social and Disability Services

We build on children's strengths and individualize experiences to meet their needs.

We collaborate with community agencies when further assessment is needed.
