The restructuring of story times and the addition of Passport Pals will help to address the new “Third Grade Reading Law” of Michigan. Preschool story times will now have unique programs for 3-year-olds, separate from 4- and 5-year-olds because they are unique! Children in kindergarten through second grade will discover a new, more engaging experience of reading through Passport Pals, helping them on the road to achieving the reading levels required now by law.

All of these additions to the event calendar are consistent with Goal Three of the Library’s newly adopted Strategic Plan: “Enhance Programs and Services.” More of the strategic plan’s goals will roll out throughout the fall and beyond. Watch for opportunities to use spaces usually reserved only for programs as part of the goal “Improve the Library as a Destination.” Look for reports on new and continuing collaborations as part of the goal “Increase and Develop Resources.” Want to become more engaged in bringing about the community’s goals? Sign up to join a strategic plan task force. Call Ceci Marlow at 810-632-5200, ext 105 or email cmarlow@cromaine.org. You make all the difference!
